Hi Anni, how are you? Baby, I miss you so bad❤️🥰🤗😘

It has been raining here for the past two days. I always miss you more than usual when it rains, and the sound traps me in my own head.

The job-hunting outlook remains grim, and my luck is running thin. I have tried as hard as I can, and I've gone as far as I can and as long as I can alone. Between every upset and setback, you are the only thing keeping me safe and sound. I hold you close to my heart, and you have been my hope and my strength. The end of the year is closing in no matter what I try to do, and every route seemingly leads to a cliff.

I am writing this diary entry while lying in my bed, but somehow nothing feels real. Everything feels fleeting and hard to grasp. I stare at the ceiling and ridicule my life. I am crying for help. Will you answer my call?
